ENGLISH ELEVEN GETS BIG LEAD

Incogniti Scores 142 Runs for Two Wickets Against New York Team

The Incogniti club cricket team from England got away to a good start in its match against the New York Halifax club eleven on the Merion crescent at Haverton this morning.

J. Morrison was the first batter, but he was bowled out with a single by Miller. E. J. Jardine did some serious batting and had fifty-eight not out. E. C. Lee, who joined Morrison later, ran his not out to 50 runs.

M. B. Burrows scored only fourteen runs before being caught out by Harris. The New York club has been beaten four times in the last three years, and from the brand of game they have been showing since their arrival in these parts the Incogniti don't look as though they had ever been beaten.

The New York Cup team hasn't a much better record than Man-O-War. The cup for the last two years and finishing second this season. Their line-up is full of veteran players who can play more batting and bowling than show more boundaries were included in these figures.

Referee Condon. The Incogniti an awful run for their money," said the Hon. S. R. Beresford, vice captain of the New Yorkers—only being a loyal adherent of his Britannic Majesty, he does not use all their American words. But that's what he meant to say, all the same.

"I think we have a decided edge on the Incogniti on the bowling end, and we have as heavy batters if not quite so many of them. Our side is made up of veterans who know the game both ways from the cricket, and if we don't admit it's had a good workout."

Again the vice captain may be slightly misquoted, but such are his ideas translated into the original American.

More than half of the New Yorkers have played the game in England or the colonies, which statement has a meaning all its own in the cricket world.

The Hon. S. R. Beresford is an ex-Middlesex county player and a well-known cricket authority over in England. Leslie Miller, late of the Victoria team of Australia, is a crack left-handed slow bowler and a fine batsman. P. Poyser, who learned the game in the West Indies, is a steady bat and a very good fast bowler.

Hull Good Batter. E. G. Hull is a good batter who has run up his centuries in this city on previous occasions. Taylor, a former Haverton college star, is an extremely good fast bowler and a good fielder. S. Southern is a neat right-handed bowler who should give the Longwood natives had moments. Among the other members of the New York team are R. and L. Canache and F. G. Hales, good cricketers all.

All the cricket experts and near-authorities admit that Captain McCall's Incogniti players are the hardest batters that have been seen in this country for years, and there has been plenty of advance doping as to what they will do against high-class opposition bowling. That they are not quite as strong bowlers as they are in the atmosphere of uncertainty to the outcome of the match.

The Incogniti players will be in a ring to the boxing show which opens the Ice Palace as a fighting coliseum tonight. They are ardent boxing enthusiasts and are anxious to see Harry Wills, who has the number of the well-known-in-England Fred Fulton. By the time the Englishmen have seen a baseball game and one of our fights they will be much about the American sporting life, as is.

The summary follows: J. Morrison, 3; E. C. Lee, 50; E. J. Jardine, 58; M. B. Burrows, 14; J. Morrison, 14; E. C. Lee, 50; E. J. Jardine, 58; M. B. Burrows, 14.

ADLER AND BONSAI WIN TENNIS TITLE

Defeat Means and Balch in Doubles Final of Lansdowne Tournament

Charles Adler and Howard Bonsai this morning won the senior doubles tennis-championship of Lansdowne in the annual tournament on the Lansdowne playground courts by defeating Grier Means and Bertram Balch, 5-7, 6-0, 6-3.

The ultimate winners did not get going well during the first set, while, on the other hand, Means and Balch did some fine work at the net, which gave them the set. Adler and Bonsai came back strong in the second set, which they won at the net, and Means played mostly at the net, and Means made some good returns from the back court. The team work of Adler and Bonsai might have been better, but individually both played excellently.

In the third set Adler won nearly all of his games on his service. Means began to show signs of weariness in this set, which helped his opponents considerably. In the final set the losers committed several double faults. They were outgeneraled throughout the set by their opponents. Bonsai made some fine placement shots down the net. Adler last year won the singles title. Balch was one of the doubles champions.

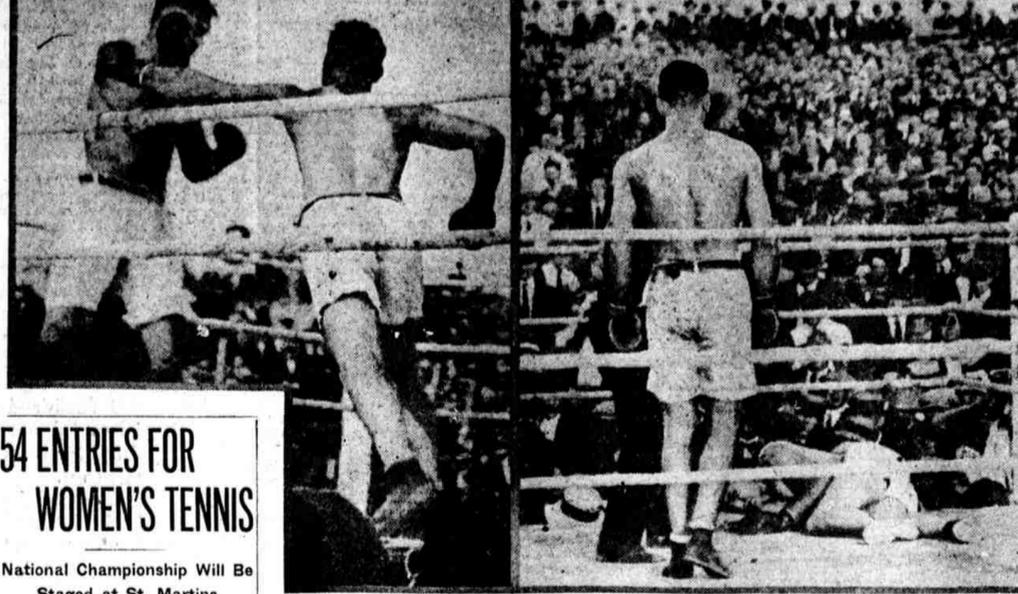

In the second round of the senior singles, Henry Barker, of Lansdowne, defeated John Clothier, also of Lansdowne, in the scores of 4-6, 6-2, 8-6. In his first set Clothier got the jump on his fine service and ran the score to 4-2, but Barker rallied and with the count at 4-love, Clothier stroked the net out of the match, by winning the next two games with his wonderful lobbing.

The second set was all Barker. His network features and kept Clothier on the defensive throughout the match.

The third set was hotly contested, with both men leading at different stages of the set and the ability of Barker in keeping Clothier off the court and in using the backhand stroke and under chop to good advantage gave him the set and the match.

Barker's service throughout the match was very poor, and it was in this way that Clothier made so many of his points.

PICTURES SHOW HOW DEMPSEY KNOCKED OUT MISKE

Jack Dempsey, world's heavyweight champion, knocked out Billy Miske, challenger, in the third round of their bout at Banton Harbor, Michigan, Labor Day. At the right Dempsey is seen standing over his fallen foe as Referee Jimmy Dougherty tolls the count of ten. At the left is shown Dempsey's famous guard with which he stopped a punch by Miske and countering put over a wallop to the jaw which felled the challenger.

THOMAS SHIFTED TO THE BACKFIELD

Heisman Surprises by Shifting Veteran Lineman—Not New at Job

George School, Sept. 8.—Coach John Heisman made one of the most surprising changes in the Penn. football team in training here this morning when he shifted Carl Thomas, the plugging lineman of last year's team, to the backfield. Thomas played fullback on the famous 1916 freshman team, with stunt players as Pard Pearce, Joe Strauss and Bill Wolfe.

This is the first year on the varsity that Thomas is to play back. He is a fine kicker, long forward passer and beautiful line plunger. He stands about 5 feet 10 inches and weighs about 175 pounds.

Diak Frank, sub guard on last year's varsity, was shifted to center. Frank is a star, stands about 5 feet 4 inches, and weighs about 150 pounds. He is a hard worker and an ideal center, being very aggressive.

The usual morning practice was devoted entirely to learning new plays and formations, and the same procedure was followed in the afternoon, with a full complement of coaches out for the afternoon practice.

Herman Harvey, who has been playing in the outfield and managing the baseball team in his home town, Minersville, arrived yesterday afternoon, and is out for a position in the backfield. With his coming, Coach Heisman has a dozen candidates for the backfield position, and he will have some job on his hands to decide the quartet whom he will use.

Haines and Lightner Join State State College, Pa., Sept. 8.—Hinkie Haines, of York, and Joe Lightner, of Maryland, both of whom are strong candidates for backfield positions on the Blue Bell team, have returned to the State College campus. Haines is a star, stands about 5 feet 4 inches, and weighs about 150 pounds. He is a hard worker and an ideal center, being very aggressive.

Amateur Sports JACK HINES'S Old-Timers having won their last five games, are in fine fettle for their big game with the William F. Read team, of the Philadelphia Manufacturers' League next Sunday. There is great rivalry between these two teams and a hot battle is expected. Brennan will be on the mound for the Old Timers and will be opposed by Benson.

The Old Timers have a few dates in September open and would like to hear from such teams as Kaywood, Columbia, Fringers, Forty-eighth Ward, St. Monica's or any other teams of that class, offering fair inducements. For game address Jack Hines, 2539 South Clarion street.

CHAMPIONS TO PLAY RUBBER AT MANHEIM

Bill Tilden, American, British and World's Lawn Tennis Champion, Will Meet Rival in This City

By SPICK HALL. Now for the rubber! Bill Tilden is a great whist player and he likes to win rubbers. This week he has a chance to win one, and a real one at that. He and Billy Johnston, whom he trimmed so effectively and completely at Forest Hills Monday, are scheduled to meet again. This time they are to clash on home soil, meaning that strip of terra firma which the world's champion has always called his home—the Germantown Cricket Club.

These two wonders of the tennis world have met six times and each has triumphed while giving each a percentage of 500. That figure doesn't please the world's champion, so he is going to make it a 4-3 proposition before another Sunday dawn, that is assured. The matches at Germantown between the West and the East begin tomorrow and last through Saturday.

On Monday Billy Johnston put up a brand of tennis better than that of any other man in the history of tennis has ever done, yet he was beaten. Why? Because he met Bill Tilden, the real, not the nominal, champion of the world.

To beat Johnston on Monday at Forest Hills it was necessary for the victor to display a super-brand of tennis and Tilden displayed it. "One Bill" won because he was not "the better man," as the grammarians would have us say, but because he was "the best man." Yes, the best man that ever wielded a tennis racket.

In far-away California the fans would give all they possessed, almost, to see Billy Johnston, their idol, fight on the turf courts against Tilden. And they would get their money's worth if they saw it.

Philadelphians have a chance to witness this great battle by the simple expedient of going up to the Germantown Cricket Club. There they will see these two famous rivals for tennis honors fight in the East-West contest with the same determination that marked their play at Forest Hills. Their match at Manheim will not be an anticlimax. It will be just the opposite.

As remarkable before, Tilden has beaten Johnston three times and Johnston has trimmed Bill the same number of times. The match at Manheim is, therefore, going to be a real-battle battle.

O'Dowd and Ted Lewis Matched New York, Sept. 8.—Articles have been signed for a twelve-round bout in the Jersey City ball park on September 22 between Mike O'Dowd, former middleweight champion, and Ted (Kid) Lewis, welterweight champion of the world. The men are guaranteed a purse of \$100,000, which will be split in an agreement to be reached later. Both men will weigh in at 135 pounds rindside.

Remarkable Motorcycle Speed Marion, Sept. 8.—The 200-mile international championship motorcycle race run on the track near this city was won by Ray Webster, of Bridgeport, Conn. In the remarkable time of 2 hours, 48 minutes and 37 seconds, or at a rate of 73.63 miles an hour, 73.5 miles faster than last year. Leonard Backer was second and Jim Davis third.

SPEED KINGS TO RACE AT BYBERRY

What promises to be one of the largest automobile race meets held in this locality in recent years will be staged at the Byberry fair track next Saturday afternoon.
